

## INTERVIEWS IN DANISH ECOVILLAGES

### EXTERNAL RELATIONS

This field of question looks into the bridges built between the ecovillage and other organisations, individuals and communities, to understand the web of relations that each ecovillage is engaged in.

#### DYSSEKILDE

- Ecovillage Networks: member of both the National Association of Ecovillages in Denmark [LØS](#) and [GEN Europe](#)
- [Mellemfølkeligt Samvirke](#) (Action Aid Denmark). International work camps can be arranged through Action Aid
- The ecovillage [Permatopia](#)
- The neighbouring village, Torup
- The Municipality, Helnæs Kommune
- Unofficial partnerships with other ecovillages, mainly through knowledge sharing.

#### SVANHOLM

- Different national and European networks: [Økologisk Landsforening](#), [LØS](#), [LØB](#), [Permakultur Danmark](#) and [GEN Europe](#)
- 'Friends of Svanholm' association
- Different partnerships with businesses
- Previous ecovillage members
- Local village associations: Frederikssund Landsbyforening and Skibby Aktiv
- The integration project 'Tingbjerg'.

#### GLASHUSENE

- The road committee (neighbours on the road that are not part of the community)
- [Bofællesskab.dk](#) (Danish network of cohousings)
- Other cohousing projects in the local area.

#### SOLENS HJERTE

- Local farmers
- Neighbours in the area
- KEB Grønt og Frugt (supplier of vegetables to the community)
