Introduction to Group Facilitation - One-Week Training Program

ABC Facilitation Training, a one-week immersive experience in a European ecovillage. This course is designed to equip participants with fundamental facilitation skills, helping you understand group dynamics, decision-making, conflict resolution, and organizational structures.

Through interactive sessions, hands-on practice, and a supportive learning environment, you will develop essential tools to guide groups effectively. Our approach blends theory with experience, using games, energizers, and real-life simulations to make learning engaging and fun.

Course Objectives:

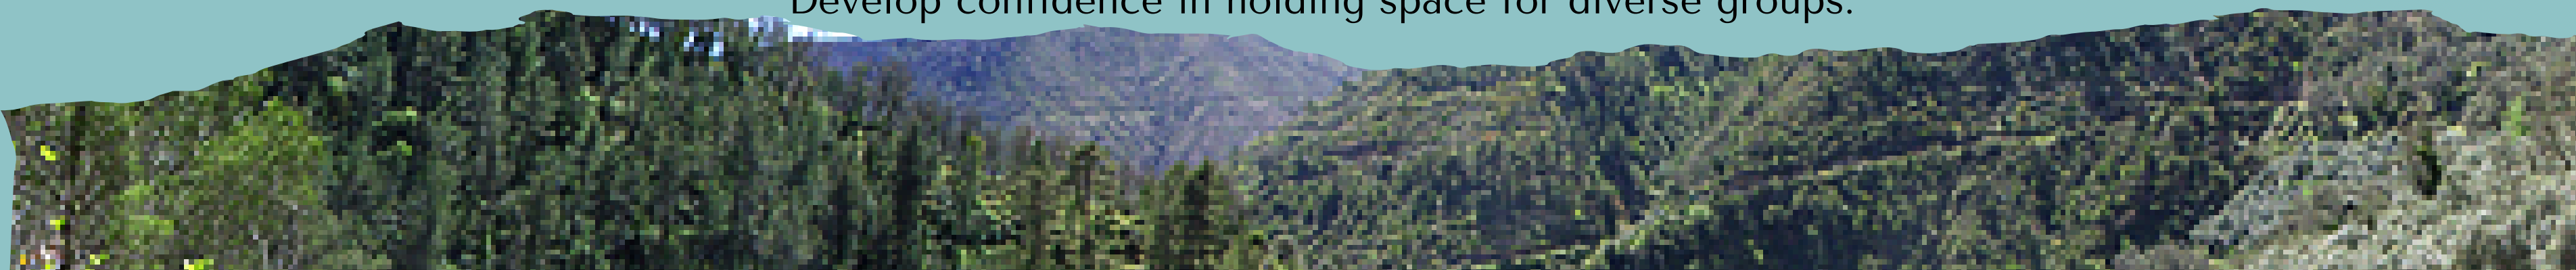

Understand the importance of facilitation in group processes.

Learn basic decision-making methods, including sociocracy.

Explore conflict dynamics, power structures, and group roles.

Gain practical experience in facilitating meetings and giving feedback.

Develop confidence in holding space for diverse groups.

THE VENUE

The course venue and accommodation is at the ecovillage Torri Superiore, Italy. Participants will share rooms with shared bathrooms/toilets. Every room has blankets and pillows, sheets are provided. Please bring your own towels.

In addition we have self-service tea, coffee and a snack table. If you have any allergies or food intolerances let us know well in advance. We can accommodate gluten free, vegan diets and our kitchen can serve soy, gluten and dairy free, although we cannot guarantee that there is no cross-contamination. We might not be able to accommodate every allergy in the world, but cooks always partly adapt their meal plans.

Please note that the venue has a lot of stairs and even if we're doing our best to make our activities accessible for the largest number of people, the main seminar room may not be accessible for people with severe mobility difficulties.

TRAVEL AND COSTS

Arrival day is 7th of January. Departure day is 14th of January after breakfast. You need to be able to attend to the full duration of the activity in order to participate

Costs: 350 euros

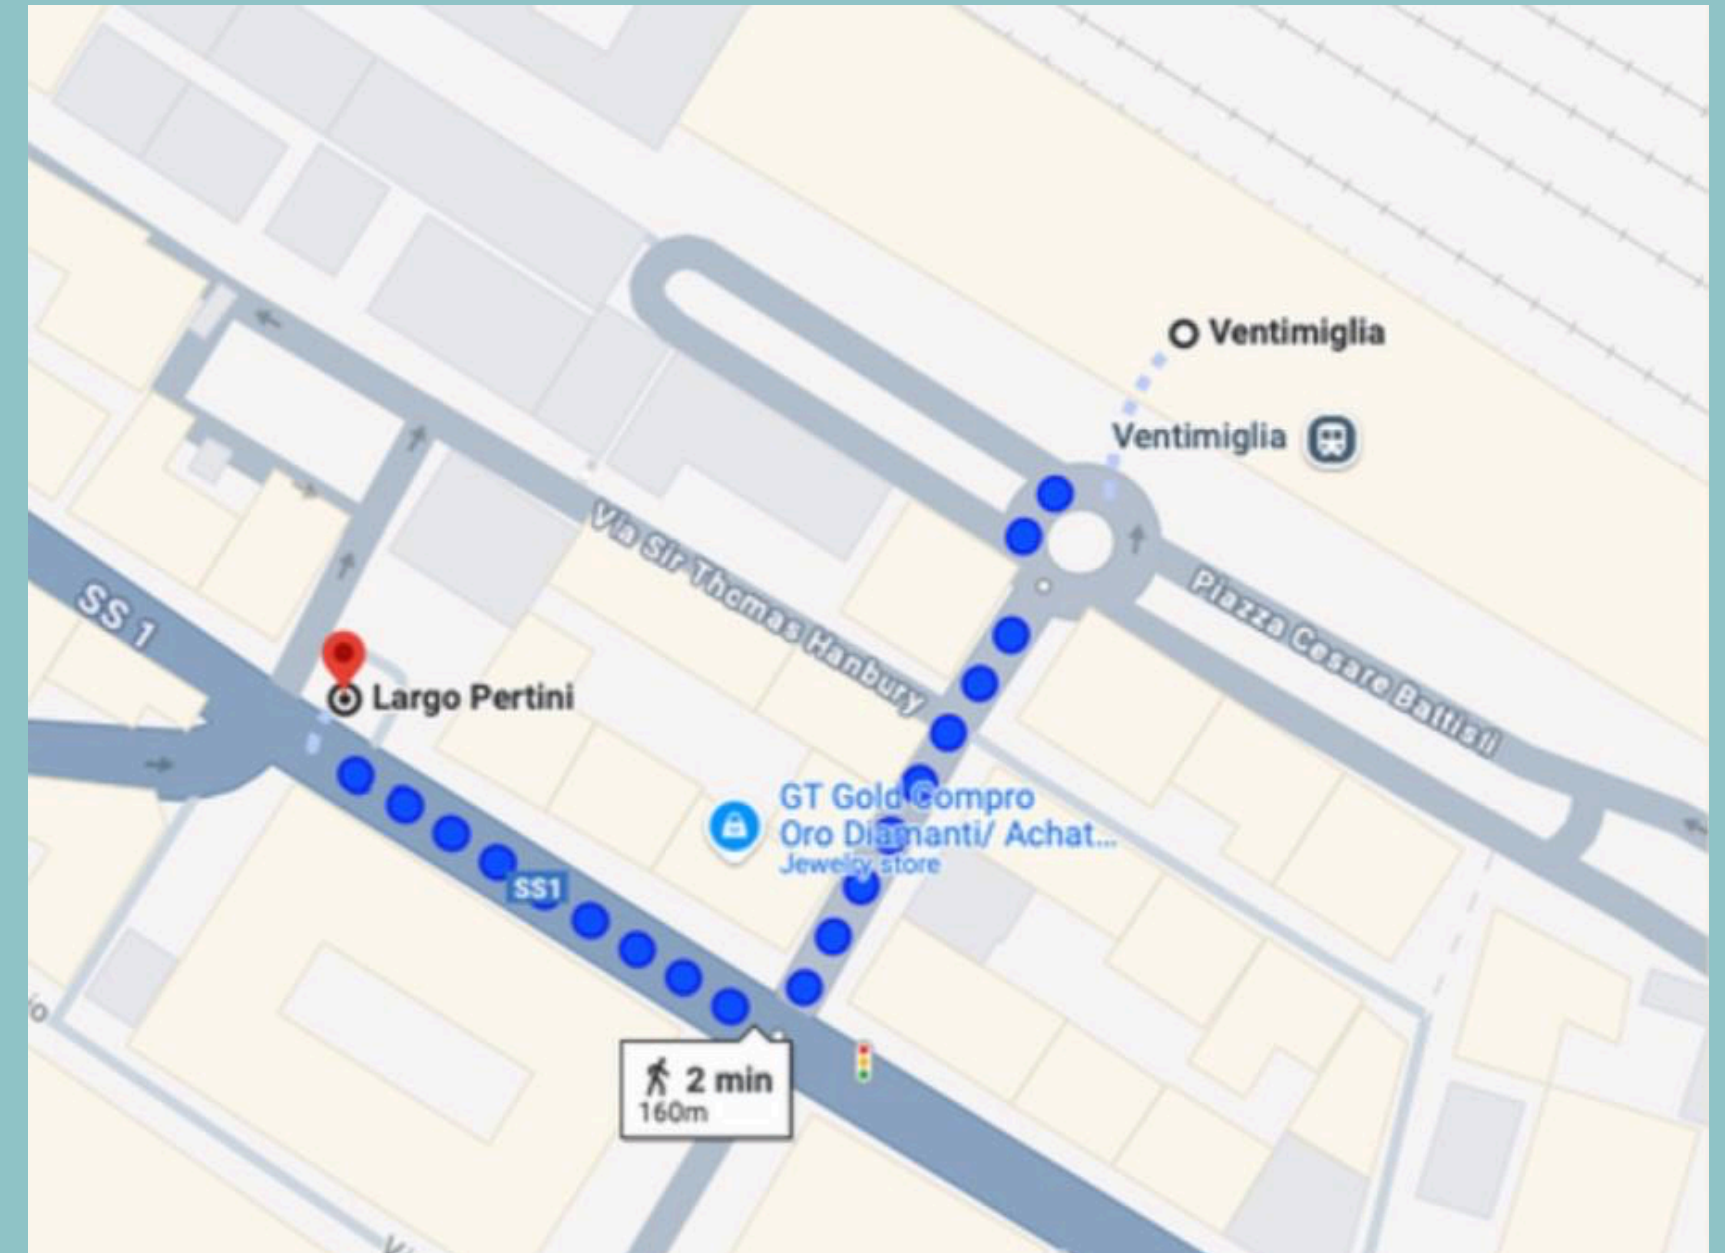

The payment should be addressed to:

Ture Nirvane Società Cooperativa Sociale di Comunità

HOW TO GET THERE

The closest town is Ventimiglia, the last Italian town before the French border on the coast. You can easily reach it by train from the main Italian and French cities: check the timetables at www.thetrainline.com or www.omio.com . If you can't find a direct connection to Ventimiglia, try to look for connections to Nice, the first big city in France on the other side of the border, which is also the closest airport. From there, there are frequent trains to Ventimiglia. Once in Ventimiglia, you need to buy a bus ticket at the bar/kiosk before leaving the train station. You can buy your ticket on the bus, but it will be more expensive. To get to the bus stop you need to get out of the station and walk down the road until you reach a traffic light. Then turn right and walk another 100 metres. The bus stop is under a big magnolia tree on the main road. The bus to Torri (there is no number, it's called just "Torri") leaves from Ventimiglia at 06.55/8.10/11.30/13.45/19.30. The bus journey takes around 30 minutes. Get off at the last stop and keep walking along the river, then turn left at the end of the road. You'll reach the ecovillage Torri Superiore a few metres above the village of Torri.

WHAT TO BRING

In January it can be quite warm when the sun comes out, but it could also be raining, so pack accordingly and don't forget a raincoat. As soon as there is no sun anymore it can be very cold. Bring a pair of good strong shoes and some working clothes for outdoor activities and some comfortable thick socks or slippers to stay in the working rooms. Please also bring your own towel.

INSURANCE

Consider booking an additional travel insurance that includes repatriation in case of accident, and don't forget your European Health Insurance Card or to get a valid health insurance if you don't have one that covers you while you are abroad.

EMERGENCY CONTACT

If case of need while travelling contact the office of Torri +39 351 900 6836 or info@torri-superiore.org
